# COPYRIGHT TRANSFER AGREEMENT

Date: \_\_\_\_\_ Contributor name: \_\_\_\_\_

Contributor address: \_\_\_\_\_

Manuscript number (if known): \_\_\_\_\_

Re-Manuscript entitled: \_\_\_\_\_

\_\_\_\_\_ (the "Contribution")

for publication in \_\_\_\_\_ (the "Journal")

published by \_\_\_\_\_ ("Wiley-Blackwell").

Dear Contributor(s):

Thank you for submitting your Contribution for publication. In order to expedite the editing and publication process and enable Wiley-Blackwell to disseminate your Contribution to the fullest extent, we need to have this Copyright Transfer Agreement signed and returned submitted in the Journal's instructions for authors as soon as possible. If the Contribution is not accepted for publication, or if the Contribution is subsequently rejected, this Agreement shall be null and void. **Publication cannot proceed without a signed copy of this Agreement.**

## A. COPYRIGHT

1. The Contributor assigns to Wiley-Blackwell, during the full term of copyright and any extensions or renewals, all copyright in and to the Contribution, and all rights therein, including but not limited to the right to publish, republish, transmit, sell, distribute and otherwise use the Contribution in whole or in part in electronic and print editions of the Journal and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others to do so.

2. Reproduction, posting, transmission or other distribution or use of the Contribution in whole or in part in any medium by the Contributor as permitted by this Agreement requires a citation to the Journal and an acknowledgment to Wiley-Blackwell as Publisher, and/or the society if applicable, in the form and content as follows: (Title of Article, Author, and the Journal) and where necessary, Copyright © (year), copyright owner as specified in the Journal; links to the final article on Wiley-Blackwell's website are encouraged where appropriate.

## B. RETAINED RIGHTS

In addition to the above, the Contributor or Contributor(s), the Contributor's Employer, retains all proprietary rights other than copyright, such as patent rights, in any process, procedure or article, or otherwise described in the Contribution.

## C. PERMITTED USES BY CONTRIBUTOR

1. **Final Final Version.** Wiley-Blackwell reserves back the following rights to the Contributor in the version of the Contribution as originally submitted for publication:

a. After publication of the final article, the right to self-archive on the Contributor's personal website or on the Contributor's institution/employer's institutional repository website. This right extends to both versions and the internet. The Contributor may not update the submission version or replace it with a pre-proof Contribution. The version posted must contain a legend indicating this is the pre-proof version of the following article: **Article title**, which has been published in final form at [Link to final article](#).

b. The right to transmit, post and share copies with colleagues.

2. **Final Final Version.** Re-use of the accepted and peer-reviewed final version of the Contribution shall be by separate agreement with Wiley-Blackwell. Wiley-Blackwell has agreements with certain funding agencies concerning reuse of its version. The details of these relationships, and other arrangements allowing open web use, are set forth at the following website: <http://www.wiley.com/go/funderstatement>. Also, please check the box at the bottom of the document.

3. **Final Final Version.** Wiley-Blackwell hereby licenses back to the Contributor the following rights with respect to the final published version of the Contribution:

a. **Open access for colleagues.** The personal right of the Contributor only to send or request individual copies of the final published version in any format to colleagues upon their specific request provided no fee is charged, and further provided that there is no systematic distribution of the Contribution, e.g. posting on a listserve, website or automated delivery.

b. **Re-use in other publications.** The right to reuse the Final Contribution to permit reuse for any publication (submitted or added) by the Contributor (including journal articles where such re-used material constitutes less than half of the total material in such publication). In such case, any modifications should be an openly noted.

c. **Teaching duties.** The right to include the Contribution in teaching or training duties at the Contributor's institution(s) of employment including in course packs, e-reserves, presentation at professional conferences, in-house training, or distance learning. The Contributor may not be used in seminars outside of normal teaching obligations (e.g. commercial seminars). Re-use of posting of the final published version in connection with teaching/training at the Contributor's institution(s) of employment is permitted subject to the implementation of reasonable access control mechanisms, such as user name and password. Posting the final published version on the open internet is not permitted.

d. **Cost presentations.** The right to make oral presentations based on the Contribution.

4. **Article Abstracts, Figures, Tables, Data sets, Artwork and Selected Text (up to 250 words).**

a. Contributor may reuse unmodified abstracts for any non-commercial purpose. For convenience of the abstracts, Wiley-Blackwell encourages but does not require linking back to the final published version.

b. Contributor may reuse figures, tables, data sets, artwork, and selected text up to 250 words from their Contributions, provided the following conditions are met:

- (i) Full and accurate credit must be given to the Contributor.
- (ii) Modifications to the figures, tables and data must be noted. Otherwise, no changes may be made.
- (iii) The reuse may not be made for direct commercial purposes, or for financial consideration to the Contributor.
- (iv) Funding bodies shall permit dual publication in violation of journal ethical practices.

EUROPEAN COMMISSION

BUILDING AN INNOVATION UNION

**Però abans...**

- Definir clarament els termes: Accés obert vs. Accés públic
- Entendre les llicències
- Fer seguiment de les polítiques
- Destriar les revistes d'accés obert real
- Reflexionar sobre el model híbrid
- Fer front a embargaments abusius
- Gestionar les dades de recerca
- Permetre la mineria de text i dades (TDM)

...

**I mentrestant...**

- Publiquem en accés obert, si es pot
- Dipositem en repositoris facilitant accés al públic tan aviat com es pugui
- Elaborem plans de gestió de dades
- Compartim les dades obertament com sigui possible
  
- Informem i formem als investigadors
- Incloguem l'accés obert en les negociacions amb les publicacions
  
- Establim polítiques clares per a publicacions i per a qualsevol resultat de recerca
- Fem seguiment de les polítiques
